POLICY 3 — E-Bike Plus Cover

Product Name: E-Bike Plus Cover
Version: 1.0
Effective Date: 20 August 2025
Governing Law: England & Wales

1. Introduction

E-Bike Plus Cover is tailored for electrically assisted pedal cycles (pedelecs). It includes protection for the **battery and motor** against specific insured events, along with theft, accidental damage, and selected travel benefits. It excludes S-pedelecs and modified bikes that exceed UK legal limits.

2. Definitions

- **Pedelec:** Electrically assisted pedal cycle that provides assistance only while pedalling, up to **25 km/h**, with a **maximum 250W** motor.
- **Battery:** The removable or integrated energy storage unit supplied for the bike.
- **Charger:** Manufacturer-approved device used to charge the battery.
- **Electrical Surge Event:** Sudden, external electrical disturbance causing damage to the charger or battery.

3. Eligibility

UK residents aged 16+. Bike must be a legal pedelec and not modified to exceed limits. S-pedelecs and throttle-only bikes are excluded.

4. Territorial Limits & Period

- **UK & Europe:** Cover in the UK and up to **45 days** in Europe within any 12-month period.
- **Transit:** Courier and airline transit covered when the battery is **removed** and transported per the carrier’s dangerous goods rules.

5. Sums Insured & Limits

- **Maximum Bike Value: £6,000**.
- **Accessories: £500** per claim (racks, lights, child seats).
- **Battery & Motor Sub-Limit:** Combined up to **£2,000** per claim for insured events (Section 7.4/7.5).

6. Excesses

- **Accidental Damage/Malicious Damage: £100**.
- **Theft: £200**.
- **Battery/Motor claim:** Additional **£150** component excess (applies on top of the above).

7. What is Covered

7.1 **Accidental Damage** to the bike, including frame and components, from collisions, falls, or impact.
7.2 **Theft** from home or away when security conditions are met (Section 9).
7.3 **Malicious Damage** by third parties.
7.4 **Battery & Motor — Insured Events**

- Accidental impact causing casing cracks or connector damage.
- Electrical surge damaging the charger leading to battery failure (evidence required).
- Water ingress **sudden and unforeseen** (e.g., flash flooding) — excludes routine riding in heavy rain unless manufacturer forbids it.
  7.5 **Travel & Transit** as described in Section 4 when carrier rules are followed and documentation retained.
  7.6 **Training & Utility Use** commuting, shopping, leisure rides are covered.

8. What is Not Covered

- **Racing, timed events, or track use** of any kind.
- Battery degradation, capacity loss, or reduced range over time.
- Manufacturer defects, recall, or software/firmware faults.
- Use outside manufacturer guidelines (e.g., pressure-washing the motor area).
- Theft when the **battery is left on the bike** and not locked, if removable.

- Theft from a vehicle without forced entry and the bike/battery locked to an immovable object inside the vehicle.
- Any claim where the pedelec exceeds legal limits or has been modified.

9. Security Requirements

9.1 **At Home (overnight):** Store the bike **indoors** in a locked building. If in a shed/garage, the frame must be locked to an immovable object with an **Approved Lock (Gold)**. The **battery must be removed** and stored separately indoors if removable.
9.2 **Away from Home:** When unattended, the frame must be locked to an immovable object with an Approved Lock, and the **battery removed** (if removable) and taken with you.
9.3 **Workplace / Public Hubs:** Use secure bike cages where available; otherwise comply with 9.2.

10. Claims & Settlement

- **Notify** us promptly; theft to police within **24 hours** (CRN required).
- Provide proof of purchase (bike and battery), serial numbers, and charger details.
- **Settlement Basis:**
    - Bike: new-for-old within 24 months; thereafter market value less **15% per year** (cap 60%).
    - Battery/Motor: subject to **functional assessment**; if replacement is required, a pro-rata deduction for age and cycles may apply (guideline: **20% per year**, cap 60%).
- We may repair, replace, or cash settle. Salvage remains with us for total losses.

11. Optional Extensions (if shown on schedule)

- **Cargo Application:** Extends cover to approved cargo e-bikes (max value £8,000; different excesses may apply).
- **Family Use:** Extends permitted riders to household members aged 14+ (within legal use).

12. General Conditions, Cancellation, Complaints

As per Policy 1 unless inconsistent with the above.
